

ANTI-BRIBERY POLICY

B. Braun Medical Peru S.A. is a company in the pharmaceutical-hospital sector dedicated to the manufacture, import and commercialization of large volume parenteral solutions, oral solutions, dialysis solutions and medical supplies, equipment and surgical supplies; therefore, we are committed to high standards of ethics, integrity and **anti-bribery** in the development of our activities.

To this purpose, we assume the following commitments:

- Prohibit bribery of any kind.
- Conduct business in compliance with applicable anti-bribery laws, regulations and high ethical standards as expressed in the Code of Ethics.
- Comply with the requirements of the Anti-Bribery Management System and improve it regularly.
- Designate and maintain an independent Compliance Officer function, with the authority to oversee the design of the system, ensure compliance with applicable requirements and provide guidance to personnel on anti-bribery management system issues.
- Be a company with a culture of transparency and anti-bribery, ensuring that employees and relevant stakeholders are aware of and understand the consequences of non-compliance with the anti-bribery policy.
- Facilitate and encourage the raising of concerns and the reporting of bribery allegations, which should be objective and based on reasonable belief, ensuring confidentiality and whistleblower protection.
